3,000 Republicans Honor Wm. Busse

MANY PARTY CHIEFTAINS AT BARBECUE

Pres. Clayton Smith was Among Those To Pay Tribute to Wm. Busse

The celebration in honor of William Busse at Mt. Prospect Saturday afternoon was something more than just a Republican roundup. There were many people present who are not republicans, but who came on account of their friendship and regard of Mr. Busse. Among these was Clayton Smith, president of the Cook County board of commissioners. In an address during the early part of the afternoon, Mr. Smith said that he knew of no public official more efficient, more familiar with county affairs, or one more faithful in the performance of his duties as a public servant than William Busse. Thirty-five years of service is sufficient to prove that statement, declared Mr. Smith, who gave the wish that Mr. Busse would live 35 more years and be able to serve the public everyone of those years.

There was little time spent in speech making during the afternoon, but the presence of the Phillips Pet. Co., cruiser with loud speaker enabled everyone on the grounds to understand and hear everything that was said. There were games and races for the children while the refreshment tent was always a busy place. Immense quantities of meat, bread, pop, milk, coffee, etc., had been provided and by the time that evening arrived, the last slice of bread and last cut of 2,000 pounds of meat were consumed.

George Miller, who has served on the county board with Mr. Busse many terms and who is a close personal friend of the county commissioner acted as chairman of the afternoon. He was assisted by Rex. K. Volz, superintendent of division one of the forest preserves, and many percinct committeemen and other friends and fellow townsmen, who welcomed the opportunity to help in making the day one that would be long remembered by Mr. Busse and those present.

Among those present were the following who have occupied more or less a prominent part in the affairs of the state and county.

Charles S. Deneen, former governor and U. S. Senator.

Otis Glenn, former U. S. Senator.

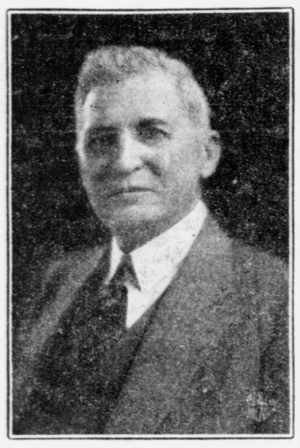

Ralph Church, congressman, 10th district.

Clayton F. Smith, Pres. board of county commissioners.

Edward Goetz, sec. of Ill., Rep. of State Com.

Edward F. Moore, Sec. Cook county central committee.

Bernice T. Van der Vries, and Frank Foster, state representatives of the 7th district; Wm. Ericson, Carl Carlson, Peter Kelly, county commissioners. mayors, aldermen and village and township officials.

COMMISSIONER WM. BUSSE

HITS POLICIES OF DEMOCRATIC ADMINISTRAT'N

Urges Northwest Super Highway as a Permanent Com. Improvement

County Commissioner William Busse of Mt. Prospect rapped the loose money spending policies of the present Democratic administration in a vigorous speech Saturday at the Northwest Hills country club during a Republican rally in recognition of his activities in behalf of the Cook county Republican organization during the past 35 years.

Mr. Busse's address gave much encouragement to the hundreds of loyal Republicans present. Republican sentiment in the country districts is steadily increasing, he reported. He also viewed as extremely favorable the fact that five Republicans from the country towns were elected to the county board at the last elections in spite of the ponderous Democratic landslide. Ordinarily, Republicans would have elected but two out of the five.

The squandering ways of the present administration were criticized sharply, by Mr. Busse. Money that taxpayers must furnish in some way or other is being thrown away, he said, on projects of very little social value. Such policies, he declared are doomed to fail in the end. Superhighways are an urgent need of the people of metropolitan Chicago, and yet no effort has been made to start the construction.

Favor Knox for President

The Republicans present that afternoon took pleasure in giving Col. Frank Knox another boost upward towards the presidential chair. "Knox has become the favorite son of Illinois and the middle west for the Republican nomination," stated Mr. Busse, "and the country towns take pleasure in pledging their support to such a candidate."

Two Palatine Boys Are Badly Injured

Frank Frohne and Albert DePue, of Palatine were both badly injured early Sunday morning when the car driven by DePue hit the side of a brick building owned by Jefferson Ice Co., adjoining the Arlington Seating Co., at Arlington Heights. The boys were returning home. Frohne was asleep while the other was having difficulty in keeping awake.

The injuries of Frohne are very serious, and he sustained profound shock as a result of the great loss of blood due to a cut artery in his right arm and cut of his right wrist. Other injuries sustained by him were left index finger nearly severed; two leg wounds, cuts about face, chin and hip and concussion of the brain.

Albert DePue has a fractured knee cap and a large scalp wound. George Swankopf accompanied the boys to Chicago, but remained for the night with relatives.

The car is a complete wreck. The flow of blood from the wounds of Frohne was not stopped until he reached the Community hospital at Palatine as rescuers were not familiar with the use of a tourniquet.

ANNOUNCEMENT

It gives me great pleasure to announce that I have acquired the Elgin Realty Agency, located at 270-274 Dundee avenue, Elgin, Ill.

Due to this change I will transact all business of the Arlington Heights Realty Co., temporarily from my home at 407 N. Chestnut avenue, Arlington Heights, Ill.

Phone 685 will also be disconnected. Only phone in service will be Arlington Heights 274.

Signed William E. Meier
Prop. Arlington Heights Realty Co.

Quality Cash Market Independently Owned To Sell for Cash Only

The Quality Cash Market, on Miner street, near the Arlington theatre, was sold last week by Mr. Masny, who acquired his interests at the time of the departure of Mr. Johnson. The store will continue to be managed by Fred Tesch, but there is a change in policy. All goods will be sold for cash only, which Mr. Tesch states will allow lower prices. "We are going to meet all competition," says Fred, who, under the new arrangement, is practically his own boss and is out after all the business that comes his way.

The Quality Cash Market will keep the public informed regarding its offerings in weekly advs. in the Herald.

COMMUNITY NURSE TALKS TO PARENTS

Miss Jackson Has Made Arlington Health Conscious

The second meeting of the Arlington Heights Parent-Teacher's association was held on Tuesday night at the Southside School. The meeting was attended by a large group of parents and teachers.

A feature of the session was the lecture given by Miss Martha Jackson, school and community nurse, which talk was supplemented by demonstrations of work performed in the community. She stressed that her duties are limited inasmuch as she can only make examinations and advise the parent as to the immediate needs of the child and advise medical treatment by a physician or dentist. Our community health clinic is maintained for the benefit of those who can not afford the expense of a physician or dentist and to which services are donated by our community doctors.

The procedure of examinations made by Miss Jackson showed the wonderful way in which the children respond to her examinations and look forward to her visits rather than dreading them. This attraction causes the children to take interest in their health as well as their personal appearances. Not only is Miss Jackson interested in the school children, but the children of the entire community who are not yet of school age.

It is certain that everyone who attended the meeting benefited from knowledge gained. Children brought up in this community of Arlington Heights should gain much in this knowledge of health, with our shade trees, flower-beds, orchards, gardens, singing birds, pure air, the crimson sunset sky, the morning paradise and all the marvelous operations of nature, which are rich stimulants to health.

We are very fortunate in having Miss Jackson so long in our community and the people of Arlington Heights wish to thank her for her splendid work during all these years. It has been a great benefit to the health of our community.

Community singing was undertaken and plans for a P. T. A. chorus was discussed. Anyone interested in joining this chorus, will they please see Mrs. McWharter and let us make this a real Community get-to-gether.

The next meeting will be held at the high school, November 19, at 8 o'clock. At this time Mr. S. A. Campbell will give a lecture and movie on "Nature's New Horizons." Everybody is welcome to come regardless of whether you are a member or not. The entire community is invited to attend all meetings.

New Ford V-8 On Display Saturday

The new Ford V-8 for 1936 will be shown for the first time in this territory Saturday at Purnell & Wilson's, Des Plaines. The new car will be on display at all authorized dealers throughout the country.

Body lines which strike a new note in conservative streamlining, a new treatment of the interior and three important refinements in chassis engineering summarize the principal improvements in the 1936 car. There are no radical changes. The 85-horsepower V-8 engine is unaltered.

Of the three principal chassis improvements, one — improved steering—is aimed at greater ease and safety of operation. Two others tend to greater comfort. One is the use of new steel wheels which lessen the unsprung weight of the car and thus provide greater riding comfort. The other is an improved transmission, using quiet helical gears in all speeds, including reverse.

Remains of S. Van Gelder Buried in Arlington Heights Cemetery

The remains of Samuel Van Gelder, who was killed in an explosion of a Chicago paint factory last week, were brought to Arlington Heights and were laid to rest in the Arlington Heights cemetery Saturday morning. The funeral was held at the Lauterburg & Oehler home, Rev. Whipple officiating.

Mr. Van Gelder was not an employe of the plant and in his capacity as a salesman, happened to be in the office of the company at the fatal moment. The bereaved wife and children have received many expressions of sympathy, the horror of the death being felt by more than just neighbors and friends.

Nu-Vail Food Shop To Reopen as Grocery

The Nu-Vail Food Shop, which closed two weeks ago will reopen next week as a grocery store with regular deliveries to all parts of the town. It will sell at chain store prices, meeting competition in all grocery lines.

Mr. and Mrs. Arlington Heights Citizen:

The chief influences of making the wrong kind of a man are: Lack of ethical code or principles, bad company and undirected activity.

We propose to give every Arlington Heights boy his inherent right.

The program of Scouting provides a deeply engrained ethical code, the result of good company and intelligently directed activity such as camping, first aid, crafts and vocational training.

There are 712 boys of Scout age in the Arlington District, 125 of which are now members. We propose to increase our organization, train more leaders, enlarge our program so that every boy may be a Scout.

Next week you will be privileged to support this endeavor by making your contribution toward the Boy Scout budget. Should our solicitors fail to call upon you, you may make your contribution by calling a member of the committee.

Give liberally to this investment in the future of our community, your business and to the character building of our boys.

MRS. A. R. SCHMITZ,
Campaign Chairman.

Choir of 110 to Present Anniversary Concert Oct. 27

If you enjoy music, you will not want to miss the anniversary concert of the St. Peter Ev. Lutheran Mass Chorus, under the direction of Mr. Theo. Preuss, at the St. Peter Ev. Lutheran church on October 27, at 7:30 p. m.

The Chorus numbering 45 senior voices, 28 junior voices and 37 children's voices, will present a program of Lutheran chorals with arrangements by Bach and an excerpt from Haendel's "Messiah" "Surely He Hath Borne Our Griefs," also other numbers by well known composers. The accompanist is Mr. O. Kolb, and the guest organist is Mr. Paul Bunjes, of Concordia Teacher's College, River Forest. Ill. A free will offering will be taken.

August J. Geistfeld, Schaumburg Pioneer Dead; Funeral Sunday

Mr. August J. Geistfeld, who has resided in the vicinity of Schaumburg all of his life passed away Wednesday morning, aged 73 years, 3 months, 17 days. The funeral will be held Sunday afternoon, from the house at 1:00 and Schaumburg church at 1:30.

Deceased was born in Bloomingdale township June 29, 1862. He was baptised and confirmed by Rev. Briegman, of Schaumburg. He was united in marriage to Miss Caroline Hattendorf at Schaumburg Lutheran church by Rev. Muiller, May 13, 1888.

There remain, his loving wife and eight children, Arthur, of Chicago; Alfred, Herman and Walter who reside at home; Mrs. Chas. Trost, of Roselle; Mrs. Emil Schrage and Mrs. John Homeyer, of Schaumburg; Mrs. Albert Brendemuehl, of Elk Grove; 8 grandchildren, 2 sisters, 3 brothers.

$4,000 in Unclaimed Tax Credit Vouchers Unclaim in Wheeling

William Annen, tax collector of Wheeling township, returned his tax books to the office of the county clerk this week with nearly $4,000 in unclaimed tax credit vouchers. The total collections, $68,000, are about the same as a year ago. As some of the credit vouchers are of substantial size there are many owners of property who missed out upon good sized checks.

The total tax extended is $214,000. Mr. Annen estimates that about 20% will be collected by him during the period of the second installment collection. This means that local taxing bodies will again have to wait for over half of their tax money until the county treasurer collects it and decides to turn it over. At the present time, the county treasurer's office is withholding from distribution $15,000,000 of tax money.

More Pay in Palatine

The tax collection in Palatine this year exceeds the amount of the last collection, yet there is still about two thirds of the total upon the books when they were returned to Chicago this week. Some of the latter will be collected during the second installment period, but as a whole there is not much difference in the amount that will be available for local taxing bodies.

The county treasurer's office has hinted that the tax books will not be returned to the local collectors for the second installment.

Collections in Elk Grove Falls

The total collection in Elk Grove township, according to Paul Hoste, the collector, is considerably less than last time. While in Schaumburg township the collections exceeded the previous one by $1,000.

Party and Dance Oct. 23 To Benefit Community Chest

All Citizens Urged to Cooperate by Purchasing Tickets

A gay hard time party and dance, pepped up with plenty of surprises and laughs, will be held on next Wednesday evening, October 23, at St. James school hall, Arlington Heights, to take the place of a "Charity Ball" in this community, for the benefit of a general Community Chest Fund, to provide emergency aid for local families in distress during the winter months.

All services have been graciously donated for this affair and the attendance of Arlington Heights leading and most active citizens has been assured, to make it the success it deserves to be.

Music will be furnished by the well known and popular Dixie Hayshakers' orchestra.

Tickets are, gents 35c; ladies 25c, couples 50c, and may be had from members of the Arlington Heights Benefit club, or at the village hall offices, People's State Bank building, offices, Krause & Kehe.

It is hoped and expected by the committee in harge, that sufficient funds can be raised through this and similar entertainment events, to make a general personal collection drive for funds unnecessary.

In view of the intimate contact had with the relief problems of Arlington Heights, and the service it has so efficiently and intelligently rendered in this direction during the past year and a half, the Arlington Heights Benefit club will assume responsibility for Arlington Heights aid toward the emergency relief problem of the village, and will be the direct sponsors of this and similar events, acting through a mixed committee of members and citizens appointed.

Regarding the need of aid for relief which the community must of necessity contribute during the winter months particularly, Mayor Flentie says:

"To appreciate that there arises grave need for aid in the form of fuel, food, clothing, medical and other emergency care during the severe winter months, despite and supplementing the care provided by the Emergency Public Welfare bodies especially established for this purpose during this period of unemployment and depression, we must realize that Arlington Heights has a population of some 5,000, and consider that attendant routine and delay action by these public agencies, necessarily required for investigating and approving such aid to new applicants; for providing increased or special aid in cases of illness emergencies; and in being available at all for emergencies which arise at times other than hours and days of the week designated for this district, increases suffering.

"No community is without its own responsibility and problem to supplement aid to it's needy, in addition to that supplied by other public agencies. Arlington Heights has at no time shirked it's duty in this respect and will meet its obligation loyally again this winter also, as heretofore.

Too much cannot be said in praise of the Arlington Heights Benefit Club, which was organized a year and a half ago by the needy themselves, to themselves lift as much of this burden as possible from the shoulders of the community. In my office as Mayor, I am perhaps in the most informed position to say that this burden on the community as a whole, as a result of the efforts and activities of the Club, has easily been lightened by one half, thru the Club's securing for this community, it's full and rightful share of relief aid from outside public agencies throughout, and in otherwise aiding and working out their own problems.

Therefore, I urge every citizen to do his part also in cooperating with the various efforts which will be promoted for funds by the committee of the Arlington Heights Benefit Club, to insure adequate funds for this purpose this winter."

Endorsement of the drive by Mayor Flentie and others as formally requested by the Club, appears elsewhere in this issue.

FIRST WPA PROJECT IS APPROVED

Nearly $6,000 To Be Spent For Labor in Improvements Sewer Outlet

The first Arlington Heights WPA project under the new set-up has been approved by the government according to press reports although Mayor Flentie of Arlington Heights has received no definite word upon the matter. The project to be approved calls for the expenditure on the part of the government of nearly $6,000 for the purpose of cleaning out, and repairing banks of the sewer outlet and for landscape work.

Mayor Flentie has received further word in the form of a request of some changes in the swimming pool project that leads him to believe that the project is alive and has not been shelved by the government. The mayor has consented to the changes suggested by the authorities who have expressed their belief that there is every reason to believe that a definite O. K. will be received in the near future.

Luella Bauer Bride of Erwin Hirschberger

Saturday morning, October 12, at 10:30 a. m., Miss Luella M. Bauer, daughter of Mr. and Mrs. Frank Bauer, Sr., of Arlington Heights, became the bride of Mr. Erwin Hirschberg of Park Ridge, in the Presbyterian church at Logan Square by the Rev. Wm. J. Ohan.

The bride was attended by her sister, Miss Grace M. Bauer and the groom's brother, Mr. Gene Hirschberg. The bride wore a brown suit with brown accessories and carried a corsage of violets.

Only close relatives attended. After the ceremony, the bride and groom left immediately for their honeymoon through the Tennessee Valley. Upon their return they will make their home in Park Ridge. The bride and groom have the best wishes of their many friends, who together.

Hard Times Party Going Over Strong

The hard times party and dance sponsored by the Arlington Heights Benefit club, to be held at St. James Hall on Wednesday evening, October 23, promises to be one of the hilarious fun producing events of the fall season.

Surprises by the score.

Dixie Hayshakers will furnish the music. Up-to-date as well as old time dances may be enjoyed, and prizes will be given for those attending in the best hard time costume.

Charges are reasonable, 50 cents for couple, 35 cents for individual men, and 25 cents for individual ladies.

Not a dead moment in the entire evening.

The proceeds of this dance will be used entirely for those in urgent need during this winter.

A good time is assured to all, tickets are on sale by the various members of the Arlington Heights Benefit club and their friends and on night of dance at the door.

St. James church on North State Road have donated the use of their hall for this occasion.

PALATINE EASY FOR ARLINGTON; D-P BOYS NEXT

The Arlington Heights town football team ran wild against Palatine last Sunday, crossing the goal line seven times to win 45 to 0. Rox Bolte's 95 yard run for a touchdown after intercepting a pass was the highlight of the game. Palatine found it impossible to solve the Arlington defense.

Walter Meyer proved himself a demon for touchdowns. He carried the ball across the white stripe four times. Ray Willard and Duke Kopplin also scored touchdowns.

Sunday Arlington meets a strong Des Plaines aggregation at Des Plaines at 2:30 o'clock.

The players now have their new jerseys, a flashy red with gold trim. The radio was won by Ralph Meier.

Infant Welfare Masquerade Will Be November 9th

The second annual masquerade for the benefit of the Infant Welfare society of Arlington Heights will be held at the Arlington country club on Dundee road Saturday, November 9. The cause is so urgent that the entire community is interested because it means better and healthier babies. Music will be by Fredericks and the tickets are 50c.

Get the Herald Shopper Regularly

A copy of this week's Herald Shopper is being delivered to every home in Arlington Heights. Read the news, read the advs., then if the delivery boy has not called upon you regarding regular delivery, phone the Herald office 15. Twenty-five cents every three months will bring it regularly.

Scout Drive Opens Monday; City Wide

Many Food Bargains This Week

When food bargains come, they all come at once. And the bargains in foods are here this week-end. In addition to special offered by regular food advertisers each week in the Herald, the Quality Cash Market near the Arlington theatre is now under new management and has a large announcement on page 2.

Special in Fish

Friday is Fish Day and readers of the Krause Cash Market advertisement in this issue will find a wide selection of fish offered at very attractive prices.

Housewives who believe in economy will find that weekly announcements upon pages two and three of the Herald contains the best food buys to be had at the local stores.

THE FROST FAIR

All is ready for the "Frost Fair" in St. James hall, No. State road, that is being sponsored by the St. Cecelia Choral society on the evenings of Oct. 18-19 and 20. On Sunday, the 20th, activities will commence in the afternoon and a buffet supper will be served from five o'clock until seven. Decorations and trimmings, a show in their own right, are being put on.

Booths and games of all kinds, the white elephant, (that good old rummage counter), the bake shop, the dolls, blankets and robes, the miscellaneous and the bingo with the finest selection of gifts. For the children, maybe the grown-ups too, there is the candy shop, lolly-pop tree and the mysterious wishing well where all good wishes come true under the magic wishing hood.

Lest it should be forgotten the winner of the Gift Cedar Chest will be announced on Sunday night and by special arrangement the winner of the Ideal Club's afghan will be announced on Friday, Oct. 18, the opening night.

A program of intertainment has been arranged, several numbers of which will be presented each evening, including these: Little Jacqueline Toussaint in the "Story Book Ball," Frances Simon in a musical reading "Hats," and one of the pupils of Bernice Dietrich in a dance.

Autumn Ball Of Builders is Saturday Night

Arlington Heights Chapter No. 109, Order of the Builders will hold their annual Autumn Ball this Saturday, Oct. 19, at the Arlington Country Club on Dundee Road, 1 mile east of State road. There will be a good time guaranteed to all by the Builders. This is the second dance of the season and they had a huge success of their first and intend to make this a much bigger success than the first.

The music will be played by the popular Earl Fredrich's orchestra, who will be waiting to greet you at 9 o'clock, with their theme song and will again play it at 1 o'clock, hoping that you've had a wonderful evening dancing to their grand music. The admission is 40 cents per person and they will have two huge door prizes.

Chicago Mushroom Pickers Injured When Rear Tire Blows Out

Steve Pavek of Chicago, with four companions were on their way to hunt mushrooms Tuesday morning, when a rear tire blew out near the Bergmann farm on route 62, causing the car to turn over. Three women were in the party and they were all injured, one suffering a fractured pelvic bone. First aid was given in the Palatine community hospital. The police car took the injured to their Chicago homes.

SEVENTY-FIVE WORKERS TO CANVAS CITY

If everything is carried out as planned all Arlington Heights citizens will have an opportunity to contribute to the funds necessary for the continuation of the Boy Scout program in Arlington Heights. Groups of enthusiastic workers are being assembled under the supervision of Mrs. A. R. Schmitz, chairman of the campaign and president of the Arlington Parent's Boy Scout Auxiliary.

The fathers and mothers of every Boy Scout or potential Scout member of organizations sponsoring Boy Scout troops and as many other interested Arlington Heights citizens as possible are being asked to assist. They will meet together at the Presbyterian church at 6:30 p. m. sharp next Monday evening, October 21, the opening date of the drive. At that time they will receive final instructions and necessary materials to make the contacts that local officials hope will put Arlington Heights over the top along with other districts that make up the Northwest Suburban Council with its allotted quota in full.

Support a Boy in Scouting

Wherever possible individuals are being asked to sponsor one or more boys in the Scout work. It has been brought out for the most part boys pay their own way in Scouting, they pay their own registration fees, buy their own uniform, pay their way to camp and carry their share in many ways. Successful Scouting, however, hinges upon adequate supervision as provided through the Northwest Suburban Council. It is to defray this administrative cost that funds are necessary.

The Arlington quota for one year is five hundred dollars and the cost of Scouting throughout the area averages approximately $5.00 per boy per year. This is often compared to four and five hundred dollars per year which is necessary to keep delinquent boys in state penal institutions.

Join the Scouting Club

All contributors of amounts of $2.50 and over automatically become members of the Scouting Club a council-wide organization of scout sponsors and although contributions of larger amounts are desired and needed if the local campaign is to be successful, Mrs. Schmitz is anxious that everyone understands that their contribution regardless of size will be welcome.

Have Large Committee

Working with Mrs. Schmitz in this financial effort are Charles S. Stewart, finance chairman of the Northwest Suburban Council and other council officers and many Arlington Heights leading citizens.

Organizations to Assist

The plan of the campaign provides for teams representative of various civic, religious and fraternal organizations of the town participating. Groups that have entered teams at an early date this week were: The Young Men's Democratic Club, The Young Men's Republican Club, the American Legion, the American Legion Auxiliary, the Arlington Heights P. T. A., the Lions club, the City Officials, Troop Seven's committee, the Parent's Boy Scout Auxiliary.

It is anticipated that an organization of more than 75 individuals will go forth in the interest of Scouting next Monday evening. Arlington citizens are requested to do their part by welcoming them kindly and giving to them as much as can be spared that this excellent character building program may continue to function for boys in our community.

Campaign headquarters will be located at the People's State Bank building.

Notice to Holders of Teacher's Orders

All Teachers' orders issued by Arlington Heights School District No. 25, are now called. Interest ceases Oct. 18, 1935.

Personal

What is the news? This very day,
An old friend wends his western way;
A neighbor near shares in a party,
Where wedding wishes echo hearty;
Some of our shut-ins, now grow stronger,
And won't be shut in so much longer;
The weather is so sunny bright,
How can the people want to fight;
Our town is such a peaceful place,
Folks meet you with a smiling face,
Read your home paper sad or funny,
And don't be sad for lack of money.
News? Why the finest autumn ever spread over us, "A New Deal."

Mr. L. G. Helm left here Tuesday morning for his western home in California, looking bright and hopeful. Trust he finds as fine weather out there as we have in Illinois.

Mr. and Mrs. John Meyn are the parents of a daughter born Thursday, October 10, in the Palatine hospital.

Mr. and Mrs. Wm. Flor from Marseiles were week-end guests of Mr. and Mrs. Charles Scherf.

Out in Kansas we learn there was a hard killing freeze about the tenth of October. Why go south?

Emma, daughter of Mr. and Mrs. Otto Heiman, has not been usually well the past week or more.

Mrs. Schoeneman of Chicago is the guest of her niece, Mrs. O. G. Bolte this week.

Mrs. Augusta Schroeder, who has been visiting her son and his wife, Mr. and Mrs. Chris. Schroeder, at Rochester, New York, was with them in time to participate in their 25th or Silver wedding anniversary.

Mr. and Mrs. Poehls and daughter, Mrs. Stoltenburg of Chicago, were the guests of her sister, Mr. and Mrs. Joseph Melzer Sunday last week.

St. James people are as busy as Jack Frost could be getting ready for their Frost Fair.

Mrs. Ned Jayne and her little son were Sunday guests of her parents, Mr. and Mrs. G. J. Rau in their home on Dunton avenue north.

Mr. and Mrs. Clarence Brinkman and family and Mr. and Mrs. Harold Brinkman motored to Oak Forest Sunday and spent the day with their mother.

Mrs. O. C. Taege is entertaining her mother from Evanston. Mrs. Taege was recently injured in a motor accident.

Mr. John S. Hickey came home last week from a Chicago hospital where he had been for treatment for injuries received in an auto crash some time ago. He suffered several serious hurts from which he has suffered much, and which will require time to restore him to his natural health. We trust much to his courage and will to do his part to regain strength. Brave John is not to be easily made to give up.

Miss Margaret Telfer from Kenosha with her cousin, Miss Robinson and the Misses Petrie, motored down from Kenosha to look after the Telfer lots in the cemetery. They made a brief call on friends here. We were glad to hear that Margaret's brother, James, has recovered his usual health. It is always good to see Margaret and her friends. Miss Robinson is staying with her in her home this year.

Mrs. Brockway from Mundelein was the guest of Mrs. B. B. Castle several days last week.

Mr. and Mrs. Julius Bruhnke are leaving here Thursday to go to the home of Mrs. Bruhnke's father, Mr. Liehr, in Michigan, who is ill and much alone.

Representatives of the Woman's Aid and the Dorcas Aid of St. Peter's church in Arlington Heights went to attend a luncheon given by the aid society of St. Paul's church of Mount Prospect Wednesday this week.

Mr. L. G. Helm, accompanied by his granddaughter, Miss Dorothy Helm, left here Tuesday for his home in California. Mr. Helm said he didn't think there could be finer weather than we were having here, but he felt he should be on his way before it broke. Mr. Helm was looking well. In speaking of his recent airplane ride, said he enjoyed it ever so much and might make his next trip here in an airplane. I'm sure Miss Dorothy would enjoy that trip.

Mr. and Mrs. Al. Adams motored up to Paw Paw, Michigan, where they spent last week-end in a most enjoyable way, fine weather and good roads and refreshing scenery.

Mr. and Mrs. H. K. Hackbarth with Mrs. Max Adam drove up to Lake Geneva last Sunday for a pleasant ride in this pleasant autumn weather.

Mr. and Mrs. Charles Scherf have taken several enjoyable motor trips among the pleasant scenes of our nearby region. There first trip was to Gary, Indiana, the last one was to Marsailes, a place noted for its scenic approach and surrounding. These trips were over the week-end.

Mr. and Mrs. L. B. Wayman are busy preparing to flit to their southland winter home in Texas. We hope their early garden may fare better than last year. Also we hope they will keep in health and be ready to come back to Illinois when spring opens to good weather and good friends.

Miss Virginia Weber, daughter of Mr. and Mrs. W. M. Weber, has entered the Metropolitan Business College in Chicago. Miss Virginia was graduated from the Arlington high school in the class of '35.

Reading room open Wednesdays 2 to 4 p. m.

CHRISTIAN SCIENCE CHURCHES

"Are sin, Disease, and Death Real?" was the subject of the Lesson-Sermon in all Churches of Christ, Scientist, on Sunday, October 13.

The Golden Text was, "The prayer of faith shall save the sick, and the Lord shall raise him up: and if he have committed sins, they shall be forgiven him" (James 5:15).

Among the citations which comprised the Lesson-Sermon was the following from the Bible: "Lo, this only have I found, that God hath made man upright; but they have sought out many inventions" (Eccl 7:29).

The Lesson-Sermon also included the following passages from the Christian Science textbook, "Science and Health with Key to the Scriptures," by Mary Baker Eddy: "We learn in Christian Science that all inharmony of mortal mind or body is illusion, possessing neither reality nor identity though seeming to be real and identical" (p. 472:3).

Mrs. McNiel has returned from her visit to her sister and other family friends in Iowa, and is now with her sister, Mrs. F. A. Whiting.

Mr. and Mrs. Elmer Crane enjoyed a pleasant motor trip Sunday north to Highland Park, through all the glowing beauty autumn scenery. A delightful ride.

Mrs. Hugo Thal entertained Wednesday in honor of Mrs. Chas. Watson who celebrated a birthday.

Joe Werne's tractor caught fire Wednesday evening and fearing that the blaze might spread to the barn, an alarm was sounded but by the time the fire company arrived the fire had been extinguished.

Friends of Mrs. Eleanor Nelson were not willing to allow the fact that she was in the hospital, stop a little patry in her honor and they called upon her Wednesday at the Augustana hospital.

The Missionary Society of the Presbyterian church held their meeting Friday afternoon last week in the home of Mrs. H. C. Cleveland. The subject to be considered was China and Alaska. Mrs. A. F. Volz, one of the older time zealous workers in the society, was happily present and had charge of the program. She did this in her old pleasing manner, and put much into her original treatment of her subject. All were glad to have her with them, and all appreciated Mrs. Cleveland's abunding hospitality.

Mr. and Mrs. Ernest Bruhnke drove out from Chicago Monday to visit his brother, Mr. Julius Bruhnke and family.

Dr. Persis Elfeld writes to her home folks from Marsailes, France, where she was with her party of tourists. She was well and enjoying all the delights of her marvelous European tour. We are sure she will get all possible out of it and return with a new inspiration for her work.

South Side Breezes

The Gleaners Circle will meet Oct. 23, at the home of Mrs. I. D. Allison, South State road.

Monday evening, members of the Coraphelia society, had their annual dinner. It was held at the home of Mrs. Rugen in Glenview. Mrs. Rugen's sister, Mrs. Renick, assisted her.

Martin Phelps and family have moved from 308 South Mitchell to the country.

The Clarence Mitchell family has moved from 432 South Mitchell to Chicago.

Mr. and Mrs. George Zeisdorf have moved from 301 South Walnut.

Mr. and Mrs. Orville Endebrook of Deerfield, were guests Sunday at the home of Mrs. George Dobbins.

Congratulations are in order for Mr. and Mrs. John Meyn, 29 So. Mitchell. They have a baby daughter named Joan Jean, who was born Oct. 10, at the Palatine hospital. Joan has a sister, Ruth, who no doubt will be thrilled with her live doll.

The "Merry Wives" attended a luncheon and surprised Mrs. Grismer on her 21st wedding anniversary with a kitchen shower, Monday. Mrs. Grismer was greeted with the singing of "Here Comes the Bride," "I Love You Truly" and "21 years Is a Long Time." Needless to say, the wives were merry.

Mrs. M. H. Lawbaugh of Templeton, Iowa, is spending several weeks at the home of her son, Ray Lawbaugh, So. Highland.

This has been a busy week-end for Mrs. George Palmer. Saturday her brother and wife, Mr. and Mrs. B. C. Hammond of Chicago visited her. Sunday Mr. and Mrs. Henry Harrison of Woodstock were guests. Tuesday Mr. and Mrs. Palmer decided to go visiting themselves, and went to Harvard.

Palatine Democratic Club Give Masquerade At New Donkey Stables

The Palatine Township Regular Democratic Club announces a Grand masquerade and dance to be held on November 2, 1935, at the Donkey Stables, one mile south of Palatine, on South Plum Grove road.

There will be dancing for both young folks and older folks, to the lively strains from the nimble fingers of "Wetterers Embassy Dance Orchestra," who are well known connoisseurs of both, modern and old time dance tunes. A great many valuable prizes, that will be greatly appreciated by the winners, will be awarded to those coming in masquerade costume.

The admission price is 25 cents, so come prepared to enjoy one of the greatest events of the season. A large parking space for cars is available, free of charge.

A special prize will be awarded for a set of the three largest ears of corn displayed on this event. Let's see who can boast of having the largest ears of corn in the Northwest Townships.

Do not forget to remember the date, Nov. 2, 1935, and the place, Donkey Stables.

Changing Weather

Little basis exists for the constant claims that the weather of the world is changing. Unusual weather conditions have come and gone for ages. As one example, snow fell throughout the northern part of the United States at frequent intervals during the summer of 1816.—H. W. Parsons. Lakewood, Ohio, in Collier's Weekly.

Feature of Australia's Animals

The most distinctive feature of practically all the mammals native to Australia is that the female has an abdominal pouch in which the young are carried until able to care for themselves.

PROCLAMATION

Monday, October 28th, has been designated as Navy Day, the anniversary of the establishment of the American Navy by the Continental Congress in 1775; and

This day will be observed by the citizens of this country as a tribute to the past and present services which the Navy of the United States has rendered to the Nation during one hundred and sixty years, and to the men who have responded in times of peril to the call to arms, and who stand ready at all times to uphold and defend the ideals and institutions of this great country.

NOW, THEREFORE, I, J. D. Flentie, Mayor of the City of Arlington Heights, by virtue of the authority vested in me by the law, do designate Monday, October 28, 1935, as "Navy Day," and urge that our appreciation of the loyal services of the Navy be shown by a display of the national colors, and that appropriate exercises be held to commemorate the occasion.

J. D. FLENTIE,
Mayor.

CHILDS STUDY CLASS

Child Study class and Home Making Oct. 21, at 3:45 at South Side school. Mrs. Paul Williams has as her subject, "Health in the Home."

Mrs. Crumlish, chairman of Child Study, asks parents to visit the schools. The following questions will be discussed:

1. What points were observed in the behavior of our children at school?
2. How does this compare with their behavior at home or on the playground?
3. How may we cooperate with the school without interfering in any way with the work of the educators who are training our children?
4. Is a knowledge of the aims, purposes, goals, and procedures of the school helpful to the home and the child?
5. Was your visit a revelation?

125,000 PEOPLE IN THE CHICAGO AREA ARE LIVING BETTER BECAUSE OF GAS HEAT...

Dirt *and* Drudgery

GONE FOREVER!

For only a few cents a day more, you can live better in your own home, free from furnace drudgery

NOT yet noon—and through for the day. No floors to scrub. No coal to shovel, no fires to watch. She's one of the thousands now enjoying the freedom of clean gas heat. For the first time in years she really knows the meaning of leisure. You're really living when you have gas heat.

This ideal method of heating is spotlessly clean. It eliminates all of the old time furnace dirt. Once your house is clean, it stays that way. No smudge to blacken curtains and drapes. No dust, no grime to work into rugs and furniture. No dirt to cause endless cleaning. Your time is your own, to do with as you want. But more than that, gas heat gives you a chance to leave your home without worry. Just set the thermostat, and the furnace takes care of itself. No anxious moments wondering if the heat is up. No constant fear that the fire will die. You know that every room in the house will be cozy and warm when you get back home.

Don't wait any longer to have gas heat. Make up your mind to enjoy the freedom and luxury it brings. If others can have it at the small additional cost, so can you. Call your nearest Public Service office. We will give you complete details and a free estimate of what it will cost you.

BETTER HOUSING PROGRAM

PUBLIC SERVICE COMPANY OF NORTHERN ILLINOIS

BETTER HOUSING PROGRAM

DISTRICT P. T. A. MEETING WAS INTERESTING

State President to Speak at Crane Farm Meeting Fri., Oct. 18th

The P. T. A. of the Northwest Suburbs met at the Methodist church on Oct. 11, with approximately 125 present, Mrs. L. W. Kester of Park Ridge, the president, presiding.

The Round Tables proved very interesting and we came away with much enthusiasm to start our year's work.

The year's programs as laid out by the presidents of each locality assured us of a year of recreation and study.

Following the luncheon served by the Fidelis Circle here, Mrs. Comer Rice presented three entertaining numbers.

Then Mrs. Don Pagenta, of Chicago, the state chairman for the National Parent-Teacher magazine showed us several instances where the help gained by reading it proved very practical in solving particular problems in the home. We all need definite help such as our magazine gives.

You cannot imagine what you missed by not hearing Mrs. Fribley's talk unless you have had opportunity before this. She made us very conscious of "what we don't know about buying," and told us where to find reliable sources of information for our every need.

Mrs. Arthur Williams Speaks October 18

Mrs. A. Williams from Normal, P. T. A. organization, but she comes now through the Farmer's Institute to the Crane Fund Farm at the end of Elmhurst road near Wheeling.

The Wheeling P. T. A. will act as hostesses and are kindly inviting all the neighboring associations to be present.

Any who are interested and can go, whether you have cars or not, call Mrs. David Heller, 283-J and she will make transportation arrangements.

Remember Friday, Oct. 18, at 8 p. m.

Conference at Berwyn

The Illinois Congress of Parents and Teachers, 1st annual conference of Dist. 28, will be held Oct. 16, at Berwyn, Ill., at Irving school, 35th and Linton. Theme, "Parent Education—Are you an informed Parent?"

9:00, registration.

10:00, Little Theatre group.

10:40, National correspondence course, Mrs. Buckler.

11:00, Address "Enrichment of Life Through Education" by Mrs. A. R. Williams, president I. C. P. T. A.

12:00, Luncheon. Phone Mrs. Fessler, 660 for reservations by Oct. 11.

Afternoon Session

Motion pictures.

15 round tables, including presidents, budgets, finance, homemaking, membership and hospitality, programs and publications, publicity radio, summer round up, etc.

Parents Auxiliary to the Boy Scouts will meet Wednesday, Oct. 23, at 2 o'clock at the home of Mrs. Ella Boeger, N. Dunton street and Eastman.

GLENVIEW

Misses Marie and Lucille Gaetje, in company with another girl friend, recently returned from two weeks motor trip to Florida. The girls visited friends en route and traveled as far south as Daytona Beach, Florida.

Miss Cora Mompier, who is teaching school near Bensenville, attended the annual homecoming at DeKalb last week-end.

Ten girls, members of Miss Louise Suydam's Sunday school class, held a surprise party in her honor at the Congregational hall Sunday afternoon, Oct. 6, at four o'clock.

The annual Homecoming services at the Congregational church will be held Sunday, October 20. The annual dinner for members and friends, under the direction of the Ladies' Aid, will be held in the church hall. A program around the tables has also been arranged, to follow the Communion service in the church auditorium.

From the Glenview Parent-Teacher's association comes this announcement, that the friends of public health nursing will hold a public meeting Friday afternoon, October 18, in Glenview Civic building, at 2 o'clock. Prominent speakers have been invited to be present and give lectures. All neighboring schools have been asked to participate in the program. Special guests will be the Cook county public health nurses. Mrs. Leslie Whidden, president of the local Parent-Teachers group, hope to make this day an outstanding event in the community.

Mr. and Mrs. J. N. Westbrook and Mrs. Joseph W. Reed of Waukegan road, have returned from an enjoyable week spent in Minnesota, near Mankato, where they visited relatives.

Miss Grace Dewes of Glenview avenue is possessor of a new Plymouth sedan.

Mr. and Mrs. Charles Palmgren, Arthur and Lillie, were guests of Mr. and Mrs. Carl Himmler and son, Gerald, in Chicago, last week, in honor of their wedding anniversary.

The Men's club of the Congregational church listened to Dr. Phillip Yarrow of the Illinois Vigilance committee at their first fall meeting held in the Congregational hall.

We are sorry to hear that Mr. John Stoll of Glenview avenue has found it necessary to return to St. Francis hospital for another operation. We wish him a speedy recovery.

Mrs. Charles Palmgren was a luncheon guest of her friend, Mrs. Harry Anderson in Hyde Park Monday.

Members of Glenview Chamber of Commerce held their first fall meeting Monday evening at the cottage of Frank Rugen on the river bank. Meeting was preceded by a supper.

Willis J. Staples of Glenview Chapter, Order of the Eastern Star, served as Patron at Des Plaines Monday night. Evelyn Meyer, matron of Glenview, served as Adah the same evening at Des Plaines.

Party and Dance Oct. 23 To Benefit Community Chest

All Citizens Urged to Cooperate by Purchasing Tickets

A gay hard time party and dance, pepped up with plenty of surprises and laughs, will be held on next Wednesday evening, October 23, at St. James school hall, Arlington Heights, to take the place of a "Charity Ball" in this community, for the benefit of a general Community Chest Fund, to provide emergency aid for local families in distress during the winter months.

All services have been graciously donated for this affair and the attendance of Arlington Heights leading and most active citizens has been assured, to make it the success it deserves to be.

Music will be furnished by the well known and popular Dixie Hayshakers' orchestra.

Tickets are, gents 35c; ladies 25c, couples 50c, and may be had from members of the Arlington Heights Benefit club, or at the village hall offices, People's State Bank building, offices, Krause & Kehe.

It is hoped and expected by the committee in harge, that sufficient funds can be raised through this and similar entertainment events to make a general personal collection drive for funds unnecessary.

In view of the intimate contact had with the relief problems of Arlington Heights, and the service it has so efficiently and intelligently rendered in this direction during the past year and a half, the Arlington Heights Benefit club will assume responsibility for Arlington Heights aid toward the emergency relief problem of the village, and will be the direct sponsors of this and similar events, acting through a mixed committee of members and citizens appointed.

Regarding the need of aid for relief which the community must of necessity contribute during the winter months particularly, Mayor Flentie says:

"To appreciate that there arises grave need for aid in the form of fuel, food, clothing, medical and other emergency care during the severe winter months, despite and supplementing the care provided by the Emergency Public Welfare bodies especially established for this purpose during this period of unemployment and depression, we must realize that Arlington Heights has a population of some 5,000, and consider that attendant routine and delay action by these public agencies, necessarily required for investigating and approving such aid to new applicants; for providing increased or special aid in cases of illness emergencies; and in being available at all for emergencies which arise at times other than hours and days of the week designated for this district, increases suffering.

"No community is without its own responsibility and problem to supplement aid to it's needy, in addition to that supplied by other public agencies. Arlington Heights has at no time shirked it's duty in this respect and will meet its obligation loyally again this winter also, as heretofore.

Too much cannot be said in praise of the Arlington Heights Benefit Club, which was organized a year and a half ago by the needy themselves, to themselves lift as much of this burden as possible from the shoulders of the community. In my office as Mayor, I am perhaps in the most informed position to say that this burden on the community as a whole, as a result of the efforts and activities of the Club, has easily been lightened by one half, thru the Club's securing for this community, it's full and rightful share of relief aid from outside public agencies throughout, and in otherwise aiding and working out their own problems.

HIGGINS-CANFIELD

The second of a series of moving pictures will be shown at St. Paul Lutheran school Saturday evening, Oct. 19, at 8 p. m. Many of those present two weeks ago, expressed their satisfaction over the picture shown them. It is our aim to show a high class of pictures and if our community responds we will be able to improve our selections. The admission for adults is 20 cents and children, 10 cents.

Everybody will be happy to learn that soon the death trap on Higgins road will be eliminated. Pavers are at work and it will be only a short time until it will be opened.

The Walther League Rally which had been rehearsed at our church Sunday, Oct. 20, has been transferred to Arlington Heights, but a week later, Oct. 27.

COMMUNITY NURSE TALKS TO PARENTS

Miss Jackson Has Made Arlington Health Conscious

The second meeting of the Arlington Heights Parent-Teacher's association was held on Tuesday night at the Southside School. The meeting was attended by a large group of parents and teachers.

A feature of the session was the lecture given by Miss Martha Jackson, school and community nurse, which talk was supplemented by demonstrations of work performed in the community. She stressed that her duties are limited inasmuch as she can only make examinations and advise the parent as to the immediate needs of the child and advise medical treatment by a physician or dentist. Our community health clinic is maintained for the benefit of those who can not afford the expense of a physician or dentist and to which services are donated by our community doctors.

The procedure of examinations made by Miss Jackson showed the wonderful way in which the children respond to her examinations and look forward to her visits rather than dreading them. This attraction causes the children to take interest in their health as well as their personal appearances. Not only is Miss Jackson interested in the school children, but the children of the entire community who are not yet of school age.

It is certain that everyone who attended the meeting benefited from knowledge gained. Children brought up in this community of Arlington Heights should gain much in this knowledge of health, with our shade trees, flower-beds, orchards, gardens, singing birds, pure air, the crimson sunset sky, the morning paradise and all the marvelous operations of nature, which are rich stimulants to health.

We are very fortunate in having Miss Jackson so long in our community and the people of Arlington Heights wish to thank her for her splendid work during all these years. It has been a great benefit to the health of our community.

EAST MAINE

Holy Communion will be celebrated in the regular German service at St. Matthews Lutheran church Sunday morning, October 27, the last Sunday in the month. Announcements to be made as usual.

Mr. and Mrs. Roy Allison are the happy parents of a baby boy born Friday, October 11. Mrs. Allison is the former Evelyn Swanson and inasmuch as this is the Nels Swansons' first grandchild, needless to say they are mighty proud of the newcomer.

At the meeting of the board of directors of the Cook County Truck Gardeners and Farmers Association held at Hotel Sherman in Chicago, October 12, secretary George Steil was appointed to fill the vacancy in the office of treasurer, caused by the recent death of Mr. John Jaacks, until the end of the year when a successor will be elected for the office.

Mrs. Melzer, principal of the East Maine public school announces that there will be a mothers' meeting at the school house Wednesday afternoon, October 23, at 2:30 o'clock. All mothers in the district are invited to attend, not only those having children in the school.

The East Maine P. T. A. got under way for the new school year with their first meeting at the school house held Tuesday evening last week. The chief business of the evening was the appointing of the various committees to act during the coming year. Just to refresh your memory, the new officers for this term elected at the April meeting are as follows: President, Mrs. Homer Long; vice president, Mrs. Willard Ruesch; secretary, Mrs. Fred Chafin and treasurer, John Moss.

NILES CENTER

Mr. Anthony Seul is at St. Francis receiving treatment on a former operation.

Mrs. Bruce Patrick, nee Emma Seufert, and daughter, Jean, from Cedarville, Michigan, were here on a short visit, calling on relatives.

Friends and relatives enjoyed an evening Oct. 12, with Mrs. Louise Klehm of Oakton street, helping her celebrate her 70th birthday. Prize winners at bridge were Miss Elsie Stielow, Miss Carrie Harrer and Mrs. Othelia Witte.

A large number of Republicans from Niles Center attended the Republican rally at Mount Prospect last Saturday. The parade of cars joined the Morton Grove parade at 2 p. m., and all followed the motorcycle squad who led the parade to the grounds where public speeches were made.

A group of ladies from the Women's Union of St. Peter's Evang. church met at the home of Mrs. A. J. Mayer on Sunday afternoon and then pleasantly surprised Mrs. Paul E. Winger at her home to celebrate her birthday.

Mrs. Armin J. Mayer was a guest of Mrs. Cleo Froelich at a benefit luncheon at her home on Wednesday.

Mr. James Taylor, brother of Mrs. W. Dale Todd, spent Sunday with the Todd family coming on an excursion from Pittsburgh, Pa.

Mr. R. Schmidt and daughters, Barbara and Ethel, from Butler, Wis., spent the week-end at the Rev. Paul E. Winger home.

Miss Carie Harrer, Mrs. Lucille Little and Mrs. Armin J. Mayer, attended the conference of club presidents and program chairmen last Thursday at Art Institute.

Mrs. Fred Schmidt from Butler, Wis., spent last week with her daughter, Mrs. Paul E. Winger.

Mrs. Luicle Little, a delegate representing the Niles Center Woman's club, attended the luncheon and lecture given at the Stevens hotel at which Amelia Earhart was guest and the speaker last Saturday, Oct. 12.

Mr. and Mrs. Emil Eggert observed their 33rd wedding anniversary October 12. Congratulations.

Mrs. Theodora Mayer from Elmhurst was the week-end guest of Mr. and Mrs. Armin J. Mayer and family.

Friends and relatives gathered at the home of Miss Louise Stielow to help celebrate her birthday last Sunday.

ARLINGTON HEIGHTS Society Events

Thursday last week the Social Five Hundred met with Mrs. Wm. M. Weber in her pretty home on North Pine avenue. The next meeting will be with Mrs. Arthur Windheim on South Evergreen avenue.

Mrs. O. G. Bolte went Thursday last week to help her niece, Mrs. Marie Mineer to celebrate her birthday.

The Corphelia club went to the home of Mrs. Lilian (Stanger) Rugen, in Glenview, to enjoy their annual supper and a pleasant social evening.

Mrs. C. P. Draper and her daughter, Lilian Draper, entertained the bridge club of which Lilian is a member. The guests provided the menu and Mrs. Draper arranged and served the real banquet as only Mrs. Draper knows so well how to serve. It was a most enjoyable social event. For games there were three tables for bridge.

The home of Mr. and Mrs. Forest Nichols was the scene of a merry party Saturday evening, October 12. The occasion of the pleasant event was the birthday of Mr. Nichols, and his loyal life companion desired to remind him that since life begins at forty, he is still very young. There were fourteen guests or was there a plus. At any rate no youngsters could have had a happier or merrier party. A special birthday cake, made by Mrs. Nichols loving hands, other choice refreshments and it was "tomorrow" ere the happy company dispersed for home. Cards, music and games were the entertainment and all wished Mr. Nichols the return of many such happy birthday celebrations.

The old time Mother's club met Thursday last week with Mrs. Boetcher at Mount Prospect. They had a happy, social meeting together with their genial hostess. The next meeting, the November meeting, will be with the president, Mrs. Elmer Crane, in her home, North Belmont avenue. This old time club has well kept it's interest in good work.

The Sunshine club met Thursday afternoon with Mrs. Elsie Jeroušek in her home on North Dunton avenue. You may be sure "Sunshine" crept into every crevice and corner of that home, with such a genial, sunshiny hostess. They planned a pleasant surprise for Mrs. Otto Hieman, who was unable to be present. They adjourned to her home. Mrs. Hieman had taken her brother's little girl, whose mother died, little, Florett Ruditt, now three months old. The Sunshine club were adopting her into their circle by giving her a real shower of welcome. This brought joy and sunshine to the whole company.

The farm home of Mrs. Eva Nick on Milwaukee avenue, was the scene of a most important and happy family party. A family gathering with a double object, first to celebrate the birthday of Mrs. Nick's daughter, Miss Therese Nick, and also to announce the betrothal of Miss Therese to Harold Scharringhausen, marriage to be solemnized soon—Bans to be read next Sunday. Mrs. Croyle made a beautiful birthday cake for her sister, a real mountain of sweetness, and a happy party it was. Tuesday afternoon and evening. Mrs. Croyle is a sister of Miss Therese Nick, and the old orchard home had been her home too. She surely did a lovely part to make her sister's birthday a happy success.

BIRTHDAY PARTY

Mrs. E. Van Steenkiste, 626 W. Campbell, celebrated her birthday last Sunday. Guests were Mr. and Mrs. W. Schroeder, her parents, Walter Schroeder and Miss Josephine Brodnan, Mr. and Mrs. A. Humburg, grand parents, and Mr. and Mrs. Ed. Kamin and family of Chicago.

Tomorrow! THE NEW
1936 PONTIAC
Silver Streak
SIXES and EIGHTS

A General Motors Value

More beautiful than ever
and **BUILT TO LAST 100,000 MILES!**

ALL THAT'S BEST OF ALL THAT'S NEW

1. Solid Steel "Turret-Top" Bodies by Fisher
2. Improved triple-sealed hydraulic brakes with new chrome-nickel alloy drums
3. Enclosed Knee-Action on "8" and De Luxe "6"
4. Smoothest of "6" and "8" cylinder engines with silver-alloy bearings and full-pressure metered lubrication
5. Electroplated, light-weight nickel-alloy pistons
6. All-silent Syncro-Mesh transmission
7. Simplified starting with automatic choke
8. Concealed luggage and spare tire compartment
9. New full-length water-jacketed cylinders
10. Even stronger double K-Y frame

YES, the new Pontiacs are actually *even more beautiful than before*, with a new front-end, new headlight mounting, a different hood, different running boards, and a decidedly different rear-end. And that's only the *outside* story. The *inside* story is even more remarkable. The 1936 Silver Streaks *are built to last 100,000 miles.*

The brakes are triple-sealed hydraulics with warp-proofed drums of fused iron on steel. The solid steel "Turret-Top" Fisher Bodies and No-Draft Ventilation, insulated roofs, and built-in luggage and spare tire compartments. Clutch, brakes, and engines are even smoother, while the Syncro-Mesh Transmission is silent in every speed. And the *even more economic* engines feature cooling and lubricating systems that are models for the entire industry! See the new Pontiacs—*and keep an open mind until you do.*

NAME NEW STATE BANK RECEIVER

Consolidation Made to Lower Expenses of Liquidators

Louis E. Nelson, who heads a receivership which is liquidating 21 banks from headquarters in Melrose Park, has been appointed deputy receiver for the Des Plaines State bank and for the seven banks allied there in receivership under H. E. Robertson. Mr. Nelson is taking over the eight banks at the present time and present plans indicate that the eight may be moved from Des Plaines to the Melrose Park offices.

The eight banks were consolidated in receivership when Mr. Robertson succeeded William Busse, Jr., then receiver of the Des Plaines bank. The present move is pointed out as a further consolidation in the interests of economy and reduction of receivership overhead.

Mr. Robertson resigned his post as deputy receiver of the eight banks—Des Plaines State, Arlington Heights State, First State of Barrington, Peoples State of Arlington Heights, Morton Grove Trust and Savings, Norwood Park Trust and Savings, State Bank of Palatine and Park Ridge State—and also as deputy receiver of Lake county banks, this week.

The move is made under the direction of William L. O'Connell, receiver for most closed Cook county state banks, and Edward J. Barrett, state auditor.

In a statement last week Lawrence Barrett, in the auditor's office in Chicago, stated that the move was made in accordance with the plan of further consolidating receiverships to reduce liquidation expenses. Mr. Nelson stated Wednesday that he expected to reduce the present force at the bank by at least half. At present there are eleven employees—seven men and four girls—employed in the offices here.

Mr. Nelson is a resident of Maywood and is well known in that community for civic activities. He was formerly president of the Maywood Lions and is now active in YMCA work in that area. His work in bank receiverships, which include liquidation of 21 banks from the Cicero, Berwyn, Maywood, Melrose Park area, points to a good record.

He states that the work of liquidation of the eight additional banks coming under his control will be pressed with renewed vigor. In event the headquarters are moved from Des Plaines, Mr. Nelson expects that demand for rental in the bank headquarters will provide revenue not now being received.

—Des Plaines Suburban Times

Text of Speech Delivered by Wm. Busse Saturday, Oct. 12

"It is always a pleasure to welcome a group of good Republicans. I'm sure we all agree that what this country needs—and is going to have—is more of them.

"I wish to express my thanks to those whose hard work and faithful efforts have made this gathering possible, primarily for in this way affording an occasion whereby we Republicans of the country towns can get together, renew old acquaintances, and make new ones, and also for the signal honor you have given me in making me the guest of honor on this occasion. It is true that I have spent thirty-three years on the Board of County Commissioners serving the country towns district. But it has been your support—the backing of each and every one of you—which has made this service possible. In return I have endeavored, to the best of my ability, to give back to you in intelligent service the very best there was in me. As any man in public life well knows, your continued support and confidence in me has been a real inspiration, and allowed me to feel that gratification, which comes from knowing that my efforts have met with your approval.

"But this day is not really my day. It is your day. The real significance of this occasion lies not in my presence, but in the gathering of several thousand members of our party at a time when unity and purposeful effort on the part of all of us is more sorely needed than at any time since the party's founding. Perhaps it is trite to say that in union there is strength—but there can be no question about it. And here in the country towns we have enjoyed a degree of unity and harmony among party members that I firmly believe is unexcelled. Let us dedicate this day, then, not to William Busse, but to the augmenting of that spirit of harmonious cooperation which has made country towns Republicans a force for sound government to be reckoned with, and will, I hope, make us a stimulating example to county, state and nation.

"We have spoken of unity. One of the most important factors in achieving it, is intelligent organization. No doubt many of you remember the old story of the colored man who would chase bumble bees, yes, but wouldn't fool with hornets because 'Dey was organized.' Organization is similarly important in carrying party political principles—those fundamental Republican principles in which we all believe—into intelligent action. One of the keystones of our party organization has been our precinct committeemen. Little known, perhaps, but indispensable. Under a recent act of the Illinois legislature, the office of precinct committeeman in our district has been abolished; we are to elect township committeemen instead. Let me most earnestly urge you to carefully consider the men whom you select for these offices; it is, I repeat, of the utmost importance. Pick men who can and will devote the necessary time and effort to the work, and above all, pick men who sincerely believe in and stand firmly for those fundamental Republican principles which you believe, and I believe, are the solution of the problems with which county, state and nation are today confronted.

"We Republicans have always been mighty strong in the country towns, and I firmly believe that our strength is increasing daily as people turn from the impossible promises and hopeless extravagance of the so-called "New Deal" to the sound theories of government, both local and national, for which the Republican party has always stood. Your election of five Republican county commissioners instead of the previous two from our district in 1934 is to my mind an excellent indication of the people's increasingly Republican sentiment, of their belief, that government control of everything, the re-writing of the Constitution of the United States, the endeavoring of the Executive authority to discredit and even nullify if possible, the Supreme court, the wasteful expenditure of enormous sums is worse than reckless extravagances—that all these things should not, and shall not, be.

"While mentioning these mounting expenditures of the Federal government, both directly and through their control of monies advanced to the states, let me remind you of something in which for years, in your behalf, I have, as County Commissioner, been most actively interested. I refer to the question of super highways as a means of stopping the appalling slaughter on our streets.

"For five years, yes, and more, I have advocated the building of the Avondale or some similar Northwest Super-Highway, not only as a means of relieving traffic congestion, but also as an unquestioned method of saving human lives. It makes one stop and soberly reflect, when one considers what such a highway, had it been built, would have accomplished in the saving of lives. Assuming the highway to be eight miles long, it can fairly be estimated that such a road would have saved at least thirty lives per year. That's one hundred and fifty of our citizens, your neighbors and mine, who would today be alive had we built that road five years ago.

"And these figures are not guesswork. They are the result of careful estimates. Such a highway should average at least 44,000 car miles per day in traffic. We find that such highways have been demonstrated to be 98% effective in preventing fatal accidents. We can thus calculate a per mile saving of 4.5 lives per year. This is a conservative figure. Allowing, then, a little less for the last few miles, due to decreased traffic, an estimate of thirty lives saved per year is still conservative.

"And what is now necessary to save these lives? Are we to have five more years of needless slaughter? Such a highway as has been proposed, stretching from downtown out to the general neighborhood of Western and Belmont, would cost, at the most, around thirteen million. The Federal government is daily throwing away far greater sums on projects of little, if any, social benefit, doomed to fail before they are even attempted. Why should huge sums be squandered on boondoggling, leaf raking, and similar futile make work schemes, when they might better, far better, be serving the useful purpose of building adequate super highways now—projects which will not only make work for our unemployed, but will also be a permanent benefit to the community and a means of stopping the terrible toll of automobile fatalities which is rapidly becoming,—no, already is—nothing more than a disgraceful slaughter.

"But it is not my desire here today to speak at length. I want you all to enjoy yourselves and get acquainted. It has been a privilege which I most deeply appreciate to have this opportunity to meet with you. Let me, as one final word, again urge that you, as Republicans, renew on this occasion your devotion to our party's principles, that we may go out and, working all together in one unified political army, re-establish in this country a truly American form of government."

Hogs Growing Heavier

There have been reports in the last few years of hogs weighing from 1,350 to 1,500 pounds, which are unusual. It is not uncommon for mature animals to weigh 1,000 to 1,200 pounds.

Ivory Stamp Club Arlington Saturday

Every Child to Get Free a 144 Page 50c Size Mammoth Stamp Book

The first two Saturday matinees at the Arlington drew capacity crowds. Children lined up for a solid block waiting for the doors to open. A record attendance is anticipated this Saturday. The youngsters are splendidly chaperoned and looked after. Martha E. Jackson and George Volz will be the official hosts and chaperones this week.

The show will consist of three 2-reel comedies, a musical novelty and travelog, plus another 2 reel story of Tarzan The Fearless and a feature. A velocipede for boy or girl will be awarded and there is a "Baby Banco" also. Every boy and girl will receive free this Saturday a large stamp book of 144 pages and if the idea clicks then each Saturday to follow a regular 10c seller envelope containing a group of foreign stamps will be given free to every boy and girl. As soon as anyone fills their stamp book they will receive a free pass to the Arlington. Godshaw seems to brim over with ideas and apparently the cost of entertainment means quite little to him. How he can afford to give $1.00 rolling pins and casseroles and the fine Harker China and other awards along with sharing his receipts with local charity movements and organizations and the dozen and one other things he does in a generous way and have anything left over is a puzzle to the writer, but he looks happy and well fed and contented, so we guess he's going a long Okay.

Something new in sound and the very latest thing out is now receiving Godshaw's attention and it isn't at all unlikely that he will announce this extravagant innovation as a fact and very soon. Parents sending children to the matinees are requested to print the child's name and address on a card or slip of paper and send it along with the young one. The drawing coupon system is too intricate for the younger children and the drawing of names simplify things considerably.

European and American Plan

On the European plan the guest pays a stipulated amount for lodgings only; under the American plan the rate includes both lodgings and meals.

Oklahoma's Salt Plains

Oklahoma has a stretch of salt plains 50 miles in extent, with a crust of salt too thin to be commercially worked and too thick to be easily removed.

Can't Stand Competition

Eastern brook trout cannot withstand competition with other species of fish; but they thrive if protected in high mountain lakes, in pools and quiet streams.

WEEKLY SPORTS REVIEW

Barrington and Leyden Have Best Teams In Many Years

The Northwest Conference grid race of 1935 has brought out the fact that two schools at least have their best teams in years. These teams are Leyden and Barrington. Leyden on Friday defeated by a score of 9 to 7 one of the best teams in Libertyville's gridiron history and kept its slate clean. Barrington has been defeated in conference play only by Leyden and that by 6 to 0. Both have fast well balanced teams which for the first time in several years are on even or better terms with the Wildcats of Libertyville.

Arlington is the only serious barrier to a championship for Leyden. This week the Eagles should coast to another victory over the crippled Warren eleven, a team which has been the Leyden jinx in the past. The following week the opponent will be the rapidly developing Arlington team. Arlington, after losing a non-conference tilt to Grant came back with a great performance at Maine and then soundly whipped Warren and Crystal Lake. The Cardinals have a strong line, but a new backfield and are not as strong as last year but cannot be counted out of the race by any means. This week the Cards will get a real test at Libertyville.

Warren, rated among the leaders at the outset, has slipped badly against greatly improved opponents. The Warren team has been handicapped greatly by injuries particularly to Brya, 210 pound fullback, who does everything well and is the spark plug of the team. Palatine's team which has been handicapped by injuries and ineligibility in every game since the opener has found itself below the class of the rest of the conference teams this year. While holding loop opponents to almost the identical scores of last season the Pirates, with a backfield made up of rookies, have failed to score a point thus far. With Grant and Arlington left to play the Palatine outlook for a touchdown is not so good.

GAMES LAST WEEK

Leyden, 9; Libertyville, 7.
Arlington, 14; Crystal Lake, 0.
Barrington, 20; Palatine, 0.
Arlington Lights, 0; Palatine Lights, 0.
Leyden Lights, 8; Arlington Lights, 0.

(By Shelby North and Marvin Plate.

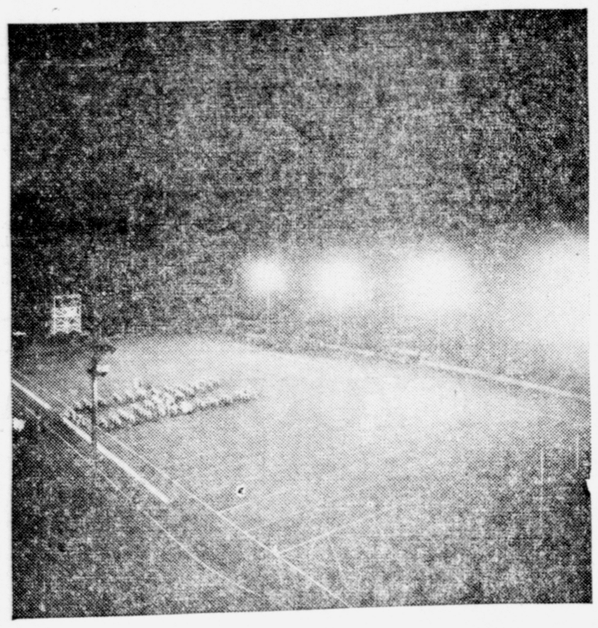

Last Friday, Barrington handed Palatine their fourth consecutive defeat by a score of 20 to 0. Although the Pirates played a better game and showed better spirit than in any other game since the Warren tilt, they couldn't prevent the Broncos from pushing over three touchdowns and two extra points.

During the first quarter Dotterrer plunged 13 yards for the first touchdown and Grabenkort kicked the extra point from placement. Palatine outgained their opponents in the first half, but were hindered by fumbles. In the second half Barrington found themselves full master of the situation by mixing passes and running plays. Early in the third quarter La Point snared a 14 yard pass for the second touchdown and Grabenkort again kicked the extra point. Soon after, Philbin, the Pirate left end, intercepted a Barrington lateral to give Palatine possession of the ball. As a return favor Kincaid intercepted a Pirate pass and ran 15 yards to a touchdown but the try for the extra point failed. The play of Grabenkort and Dotterrer in the Barrington backfield was outstanding for the Bronc's. The Pirate line and Captain Mess were the outstanding performers for Palatine.

The Pirates good showing have been defensive and they have not scored a point in their 4 games this season.

Both the officials thought that the game was good and clean. Coach Clark, from Barrington, said the Pirate line was good between tackles. Also he said that his team didn't start gaining until they started to throw passes and mixing 'em up.

Football Brought To Light

The Big Ten Conference's two "dark horse" football teams, Northwestern and Purdue Universities, were really "brought to light" at Dyche Stadium, Evanston, on Saturday night, October 5, when Purdue's Boilermakers humbled the Northwestern Wildcats by a score of 7 to 0 on a 15,000,000 candlepower floodlighted field. It was the first night football game ever played in the Big Ten Conference, and if the spontaneous approval of the spectators has anything to do with it, it will not be the last.

From the standpoint of visibility the playing of night football met with the complete approval of the fans, every play being easily seen. Passes and punts were even more closely followed, since a white football was used and the reflection of the lights on the ball made it stand out clearly.

The growing popularity of night lighting of sport events has prompted many inquiries as to how the brilliant illumination was made possible. The task of floodlighting Dyche Stadium was accomplished through the use of 52 projectors installed on eight 70-foot poles equally spaced along the playing field. In each projector there is a 1500-watt bulb making a total illumination of 15,000,000 candle-power.

ARLINGTON NIPS CRYSTAL LAKE 14 TO 0

Arlington and Crystal Lake high schools created history last Friday in the fact that they met each other on the football field for the first time. The day was perfect for football and Crystal Lake's new athletic field in excellent shape for a good game. However, the two teams didn't oblige and a rather ragged game resulted.

Too much fumbling ruined what might otherwise have been a fine contest. C. Lake was the chief offender in this line and Arlington managed to recover most of these miscues. Although presented with several breaks of this sort Arlington took advantage of only one for a score. On the other occasions the green Cardinals flubbed their own chances by misplays, or by poor blocking.

Recovering a fumble on the C. Lake 30 yard line Arlington finally pushed over a score in the second quarter. Dearie romped around right end for 19 yards and a first down on the 11 yard line. Michaels picked up 5 yards and three tries by Johnson netted another scant five yards by inches. With the ball on the one yard line, it took a try by Michaels and one by Johnson to put it over a stubborn Crystal Lake defense.

Arlington got her second and last score a few minutes later when after an exchange of punts Crystal Lake elected to throw a flat pass from their own 22 yard line. White, a substitute back, snagged it and romped the 20 odd yards to the goal for a touchdown. Both tries for point were good.

The second half was filled with blocked punts, fumbles, intercepted passes, and what not. These misplays precluded any real scoring threat by either team and the game wound up with the scoring all being done by Arlington in the second quarter.

Crystal Lake tore off some substantial gains on sweeps around either of Arlington's ends. They showed some fine running and hard blocking on these excursions, but got nowhere when Arlington braced.

No particular Arlington man played an outstanding game, yet none looked any worse than the others. They merely didn't play up to their capabilities.

Arlington Meets Libertyville Saturday

GAMES THIS WEEK

Friday, Oct. 18—
Palatine at Fox Lake.
Warren at Leyden.
Saturday, Oct. 19—
Arlington at Libertyville.
Steinmatz High of Chicago and Barington, 2:30 p. m.

Arlington faces the first of four hard conference games on consecutive Saturday afternoons. When these four games are completed the 1935 football season for Arlington will be over. And on these four games hinge the real success or failure of the Arlington season.

Libertyville is the first hurdle and will either be taken or will prove to be a stumbling block instead, this coming Saturday afternoon. Since last year when Arlington knocked Libertyville out of the conference running and assumed the leadership herself, the Wildcats have been promising Arlington a trimming at their this year's homecoming. Whether or not they can do it remains to be seen. Undoubtedly the result of Leyden's trimming them last week will shake Libertyville into a harder game against Arlington.

The question remains—Will Arlington be able to stand up under the bruising band of young giants, or will Arlington have enough determination and finesse to out-maneuver the wildcats? Only the game Saturday will tell. It is scheduled for 2:30 on the Libertyville field, preceded by their usual homecoming parade.

The next two Saturdays Arlington plays at home against Palatine and then Leyden. Both promise to be hard contests, particularly Leyden, who are the real leaders this year. The Lyden game is to be Arlington's homecoming Nov. 2.

Outside of about a half dozen boys who are nursing minor injuries that will no more than slow them up Arlington is in fine fettle for these games. Under strenuous practice the boys are showing more promise than they had figured to show earlier and now rate almost on a par with their tougher opponents. The boys have been learning fast, but whether or not they have progressed enough to take the more experienced and much heavier Libertyville eleven will be tested Saturday.

Ramblers to Stage Novel Party Saturday Evening

The Wayside pavilion in Linne Woods, Dempster street at Ferris avenue, will be the scene of much gaiety and novelty Saturday evening when the annual Hard Time Party of the Morton Grove baseball club will be held. From all indications this year's affair will outshine all others in decoration and entertainment. The committee in charge, under the direction of Manager Christian Koller, has worked relentlessly in planning and decorating of the hall to conform with the old-time, hard-time, Hallowe'en spirit. An ever increasing accumulation of antiques, farm machinery, harness, etc., will be used to give the hall a rural tinge.

There will be dancing and games for the frisky, novelties and pranks for the inquisitive, cider and doughnuts for the hungry. Old-time clothes, Hallowe'en costumes and hard time outfits will be the dress of the evening. The committee has also promised that there will be witches and ghosts, black cats and hoot owls, skeletons and scarecrows both real and imaginary.

These parties are held each year and the proceeds are used to help defray the expenses of the ball club. Each year the affair has attracted larger attendance and the prospects for Saturday's frolic are exceedingly gratifying.

Hot-Spot Salesmanship

"Politics," said Uncle Eben, "begins to sound to me like jes' another form of what dey calls high-power salesmanship."

VOICE OF PEOPLE

Editor: On the Weller Creek question:

In regards to the statement in last week's issue signed by Mr. Geo. Klehm, it might seem to some people that the Kirchhoff Brothers got a lot of easy money from Arlington Heights that was not rightfully coming to us. If the Village trustees at that time, including Mr. Klehm, paid out one more dollar than they were supposed to, they could be held liable and prosecuted.

But anybody that knows the proper procedure of a sewer system knows that the county court set the value on the land, and sets the amount of damages to be paid. That we got $30,000 for ten acres of land is not true.

When Arlington Heights figured on putting in a sewer, the first thing they did was to annex fifteen acres of our land along the railroad without our knowledge. The reason for this was to run their sewer through our land. If our land had not been annexed, we could have asked for damages, but now being a part of the village, we had to pay an assessment to the tune of $500.00 an acre. This sewer does not do me a nickles worth of good. Still I had to pay this $500.00 an acre assessment.

In regards to the pay we got for our land, I want to say we did not get cash. We got bonds. The first two years we got interest on the bonds and after that we didn't get any interest, and when the bonds come due we couldn't get any cash. We got tired of keeping the bonds we had left, so we sold some for 50c on the dollar, and those that are overdue we can't hardly give away.

The opening of Weller Creek plus the Arlington Heights assessment cost us three brothers approximately $17,500.00, so after everything was said and done I did not have very much to show up for my 6 acres of land which I sold to Arlington Heights.

Mr. Klehm claims this land to have been worthless, but I can assure you after Weller Creek was opened, I plowed every inch of my land way up to the ditch.

I could explain a lot more, but I think this is enough. It is most regrettable that statements like Mr. Klehm's appear in print, especially those parts that are not true.

(Signed) George Kirchhoff.

Gracie Allen in "Here Comes Cookie" Friday at the Catlow

Gracie Allen, playing hostess to all the down and out actors on Broadway, and driving her father's secretary (George Burns) to a state of madness, furnishes the light and giddy subject matter for "Here Comes Cookie," the Friday feature at the Catlow, Barrington. It keeps in the typical Burns and Allen vein, but with new gags and plot situations.

Little David Lee Holt is the key character in "The Age Of Indiscretion," playing the Catlow, Saturday night. Around him revolve the bickerings, scandal and shame connected with the divorce of his parents and the fight for his custody. Paul Lukas, Madge Evans, May Robson and Helen Vinson play the adult roles.

The "Jack Pot" feature will be an added attraction both Friday and Saturday night.

"Bright Light," the feature number for Sunday and Monday, is a circus of stars and girls, gags and hot-cha dancing, with Joe E. Brown as the ringmaster of hilarity. Joe's fans are going to like him plenty in this bright and effervescing cocktail.

"Page Miss Glory," Marion Davies' newest picture, is scheduled for showing Tuesday, Wednesday and Thursday night of next week, this being the first community run of a most widely heralded production. Co-starred with Miss Davies are Dick Powell, Frank McHugh, Pat O'Brien, Allen Jenkins and Patsy Kelly. Situations revolve about the grooming of an unprepossessing chambermaid (Miss Davies) to meet the exactions of a composite photograph submitted to a committee as "America's prettiest girl." "Page Miss Glory" will be found to be most engaging entertainment.

WHEELING

A group of young playmates enjoyed a party at the home of Marjorie Becker on Saturday afternoon in honor of her eleventh birthday.

Mr. J. L. Harp motored to Arkansas last week to bring his mother to Illinois to make her home with them.

Friday readers of this column are reminded of the card and bunco party given by Wheeling Chapter O. E. S. this evening at the Riverside.

Parents of school children will be interested in the P. T. A. meeting to be held in Childerley hall this evening. Guest speaker for the evening will be Mrs. Arthur Williams, president of the Illinois State Congress of P. T. A. Parents and teachers of neighboring schools have also been invited to attend.

Coming next week. A card and bunco party will be held at the Wheeling school Friday evening, Oct. 25, at 7:30 o'clock for the benefit of the Boy Scouts. The party is sponsored by the Mother's auxiliary and the fees will be 25c for adults and 10c for children. Cake and coffee will be served as refreshments.

Messrs. Arthur Miller, Edw. Moeller, Erick Wenzloff and Geo. Mollenkamp motored to Welcome, Minn., last Friday with the truck load of beautiful floral pieces for the funeral of Chief of Police Herbert Lesch. Mr. John Wick accompanied the body on the train. The men remained for the funeral service on Saturday afternoon and returned home Sunday a. m.

Feast Day Novena Opens October 20th

The Solemn Feast Day Novena in honor of St. Jude Thaddeus "Patron of Difficult Cases," opens tomorrow, October 20th at the Shrine of St. Jude Thaddeus, in St. Pius Church in charge of the Dominican Fathers at 19th St. and South Ashland Ave., Chicago.

During these nine days of prayers, important first class relics of St. Jude will be publicly venerated after each of the four daily services at 10 a. m., 3, 6:30 and 8 p. m. Very Revs. J. H. Healy, O. P., P. G. of New York City and E. A. Baxter, O. P. of New Haven, Conn., Dominican missionaries will alternate in conducting the daily services, while the closing exercises on the feast of St. Jude, October 28th, will be in charge of the Rev. R. D. Goggins, O. P.

SCHOOL NOTES

PLUM GROVE SCHOOL, DIST. 19

We had no school Monday, as there was a teacher's meeting at the Morrison hotel.

The Gutilla family spent the holiday in Chicago with their relatives.

We expect to have our program Nov. 30, at 8 p. m.

Mr. Butler visited the school Tuesday morning.

We have a new furnace pipe. It certainly was needed. Our school piano is being tuned and repaired. The Achievement club will give a card party in November, to pay the expense.

A new pump which makes drinking a lot easier was put in.

We are getting weekly readers and Current Events. We make reports on them every week.

Those with perfect attendance are Vera Sander, Albert Pagliani, Leo Plumhoff, Emerson Sander, Harriet Kane, Frances Ehret, Thomas Humphryes, Junior Cramer, Arthur Werner, Victor Baumgart, Elroy Nolting, Martha Baumgart, William Mueller, Robert Mueller, Evelyn Werner, Edith Sundquist, and George Cramer.

BOX ELDER SCHOOL, DIST. 69

The children of the Box Elder school were very pleased to find their schoolhouse remodeled and thoroughly cleaned. We also had electric lights put in our school. There have been many improvements made since last spring.

Our teacher's name is Mr. A. Tudyman of Palatine. The enrollment of our school is 22 children. There are four new pupils this year.

Last Friday afternoon we organized our Achievement club for the year. The following officers were elected: President, Jeanette Sturm; vice president, Melvin Pingel; secretary, Clara Sokolowski; and treasurer, Wilbur Pingel. We have 12 members in our club.

Achievement night will be Nov. 15.

We organized a book club Oct. 4. The officers are: Pres. Melvin Pingel; vice president, Aldine Leider; secretary. Jeanette Sturm and treasurer, Edmund Pingel. Everyone is eligible from the fourth grade up. The ones who wish to be in our Book Club and are below the fourth grade are called junior members. We have 15 members in the club.

We are looking forward to many interesting meetings which are held bi-monthly.

Sec. Jeanette Sturm, 7th Grade
Sec. Clara Sokolowski, 8th Grade

All persons having claims against the Estate of Flora E. Joiner, deceased, are hereby notified and requested to attend and present such claims to the Probate Court of Cook County, Illinois, for the purpose of having same adjusted by said Court, at the Probate Court Room, in the Court House, in the City of Chicago, in said County, on the first Monday in December, 1935.

Dated at Chicago, Ill., October 7th, 1935.

ARTHUR L. McELHOSE, Executor.

H. F. KNOX, Attorney.

BOND FOR SALE

Because of the disbanding of the German Benevolent Society, it is necessary that the assets of this society be liquidated as quickly as possible, so that they may be distributed equally among the present members of this organization. Included in our holdings, is a $1,500.00 bond on the La Mantia building. The German Benevolent Society must dispose of this bond, and is interested in finding a purchaser for same. Any reasonable bid will be considered. Please address inquiries to Mr. Wm. Dean, chairman of committee, 1412 Campbell Ave., Des Plaines, who will gladly give complete details.

Cry of "Fourteen Hundred"

The cry of "fourteen hundred" was the cry raised on the London Stock exchange to give notice that a stranger had entered the house. The term is said to have been in use in Defoe's time, and to have originated at a time when for a considerable period the number of members had remained stationary at 1,399.

GARDENERS TO HOLD ANNUAL MEET IN NOV.

Wide Range of Subjects Will Be Discussed at Springfield

Urbana, Ill., Oct. 16—Problems both of market gardeners and of truck farmers will be discussed during the fifth annual meeting of the Illinois State Vegetable Growers' Association at Springfield, November 12, 13 and 14, according to L. A. Somers, vegetable gardening extension specialist at the College of Agriculture, University of Illinois. The meeting will be held in the Abraham Lincoln hotel.

Details of the program are not complete, but the tentative set-up indicates that a wide range of subjects will be discussed, Somers said. These will include tomato culture, the use of electric hotbeds, vine crops grown in Illinois, new fruit varieties as compared with the old, fruit and vegetable canning and the growing and certification of southern plants.

Marketing problems also will receive considerable attention during the meeting. In this connection various speakers will discuss the best methods of packing and grading fruit and vegetables as well as placing them on the market. In the line of marketing discussions it is planned to give considerable time to discussions of the Peoria and East St. Louis markets. From the economic angle those attending the meeting will have an opportunity to learn more about farm accounting as applied to fruit and vegetable farms.

The women's auxiliary will take up such special subjects as canning, preparation of fruit and vegetables for local markets and the growing and use of flowers.

Officers of the association are: President, Emmett Orr, Rockford; vice-president, August Geweke, Des Plaines, and secretary-treasurer, John Wenke, Peoria.

Danger in Cold Baths

Persons who are supersensitive to cold actually risk their lives by bathing in cold water. Not only may the shock bring on one or a number of serious physical disturbances, but it can, and frequently does, cause death. — Gene Goscewicz, Cicero, Ill., in Collier's Weekly.

Garden Club Question Box ....

SHRUBBERY

The term shrubbery is applied to groups of woody plants of small size. The line between trees and shrubs is not very definite. A shrub generally speaking has a number of stems springing from the ground and a tree usually has a single trunk but this is not uniformly true in either case.

The chief value of shrubbery comes from its use in an artistic way although some shrubs have edible fruit.

Shrubs have two values. As individual specimens where they are grown for the beauty of the species itself and as parts of the landscape where they are grown in groups.

Shrubs are indispensable whether on private places, parks, or any grounds. They may be used in any situation to beautify the place. Around the porch, at the base of the house, at the entrances, in your perennial borders. As specimens or wherever planted they always make a handsome effect.

The assortment is such that flowers may be had during the entire growing season, together with various colors of bright yellows, brilliant reds, somber shades of purple and variegated foliage. And the winter effect in some species is very striking, especially so when they come in contrast with the white snow, such as the cornus with its red or yellow bark and Thunberg's Barberry with its bright red berries that hang on the bushes during the entire winter.

All shrubs can be planted in spring or fall with few exceptions. I will only mention some of the shrubs that are hardy in this locality.

Barberry is a dense shrub of dwarf growth. Barberry Thunbergii is best in this vicinity. It may be used for corner planting, for hedges or in front of other shrubs such as Spirea Van Houttii. It grows to a height of 5 feet if not trimmed. The leaves are colored in fall and the red berries hang on most of the winter. Barberry Thunbergii Atro purpurea (Red leaved Barberry) is a newer variety similar to Thunbergii but with bronzy red leaves. Should be planted in full sun to develop its coloring.

Calycanthus. Called by some Sweet shrub on account of its fragrant roots and flowers. Grows to a height of about 6 feet and has chocolate colored flowers in June.

Caragana. Siberian Pea Shrub. Very hardy and grows to a height of ten feet. Leaves are small and it has yellow pea-shaped flowers early in June.

Cephalanthus. Button Bush. Grows well in moist ground where other shrubs fail. Has small white flowers followed by a curious round seed ball from which it derives its name. Grows four to five feet high.

Clethra Alnifolia. Sweet Pepper Bush. Dwarf shrub growing about 4 feet tall. Has showy spikes of white flowers late in summer. Grows best in moist soil.

Cornus (Dogwood). This shrub can be planted in either moist, dry or shady situations and is very attractive in winter on account of its red, yellow and grey bark. The seeds are relished by the birds. Grows from 6 to 10 feet high.

Cotoneaster (Quinceberry). About 25 varieties some growing upright and some horizontal. Those hardy here growing 4 to 6 feet tall. Leaves are very shiny, mostly oval and small. The white flowers are followed by red or black fruit, about the size of a large currant. Very useful for hedging.

Cydonia (Japan Quince). Flowers very early in spring before the leaves appear, mostly at the base of the shrubs. Some grafted varieties have white, light pink and salmon colored flowers. If crossed pollinized the Japan Quince makes very fine fruit for preserves if cooked with apples or pears.

Deutzia. Very few Deutzias are hardy. The best one in my estimation is Lemoinei which grows to a height of about 3 feet and has pure white flowers. Is a very graceful shrub.

Exonymous Alatus (Cork barked strawberry tree). Very attractive on account of its cork barked branches. A nice formed growing shrub with small leaves which are highly colored in the fall. Has curious red heart shaped fruit somewhat resembling bittersweet berries. Grows about 5 feet tall.

Exchordia (Pearl Bush). Should be planted in the fall on account of its coming into leaf very early in spring. Grows to a height of 12 to 15 feet. Flowers a little later in the season. Has white flowers in drooping racemes from 3 to 6 inches long and remaining on the bush quite a while. Not very well known on account of being hard to propagate.

Forsythia (Golden Bell). The earliest flowering shrub that we have here. The flowers appear along the stem before the leaves and some years they last quite a long while.

Hypericum (St. John's Wort). A dwarf shrub two to three feet high with dense branches. The flowers are yellow and it blooms from July to October.

Hydwrangea. Blooms and grows very satisfactorily. Arborescense Alba Grandiflora is especially adapted for planting in shady places as well as sunny places. Should be trimmed every spring to within a foot of the ground to produce the best flowers. Paniculata Grandiflora can be grown to tree form and blooms later than the Arborescense type.

Ligustrum (Privit). Needs very little introduction. Amurense north is used for hedging while Ibota and Regalis are very fine as ornamental shrubs. The blackberries which follow the blossoms many times last until late spring.

Lonicera (Honeysuckle). There are many varieties growing to a height of 10 to 15 feet. Flowers are pink, white or yellow.

Potentilla Fruiticosa. A dwarf shrub that thrives well in moist places. Grows 18 to 24 inches tall and blooms from June to late in the fall. Flowers are yellow.

Philadelphus (Mock Orange). This is one of the best known shrubs and can be used for foundation planting and for hedges. There are some dwarf and some very tall varieties. The golden leaf variety is very fine and seldom burns in summer.

Prunus (Flowering Almond and Plum). A very satisfactory shrub that blooms early in spring. The Prunus Triloba grows to a height of about 8 feet while the Prunus Rosea and Alba grow 3 to 4 feet.

Rhamnus (Buckthorn). A dense twiggy bush that grows 10 to 12 feet high. It is very useful to grow as a hedge for snow drift protection especially along railroads and roads where snowdrifts occur every year.

Rhodotyphus (Japan White Kerria). Grows to height of about 6 feet and has shining dark foliage and small white flowers, single and four petaled. The flowers are followed by three shining black fruit.

Rhus (Sumac). There are many varieties and they are very decorative in the fall with their brightly colored odd shaped leaves. There are both tall and dwarf varieties.

Ribes (Flowering Currant). Grows 4 to 5 feet tall. Has yellow flowers which come into bloom just after the Forsythias.

Robinia Hispida (Rose Acacia). A dwarf shrub with pink pea shaped flowers early in May. Bush resembles Moss roses in appearance.

Rubus (Flowering Raspberry). Quite a strong growing plant with large leaves and flowers which are rosy purple in color. Grows 6 to 7 feet tall and blooms all summer. Valuable for grouping to form foliage effects.

Sambucus (Elder). Grown in many varieties, cut leaf, golden leaf and the common variety that grows wild in many places. Grow 6 to 10 feet high. The fruit is fine for jelly.

Spirea (Meadow Sweet). The Spireas are mostly medium or low growing shrubs. The flowers are red, pink and white and are of several types. At one time we listed 19 varieties in our catalogue. One of the most useful and widely planted is Van Houttii. It can be used as a specimen plant and also makes one of the finest hedges. Can be planted against the building and is especially fine if Barberry Thunbergii is planted in front of it. The dwarf varieties Anthony Waterer and Froebelli can be used most anywhere in the foreground. These two varieties do best when trimmed down to the ground in early spring.

Symphoricarpus (Snowberry and Indian Currant). Dwarf in growth. The Racemosus or Snowberry has small pink flowers followed by white berries which hang on the plant until frost. Vulgaris or Indian currant is compact and valuable because of its red fruit covering the upper part of the branches and remaining nearly all winter.

Syringa (Lilac). Has many varieties. We once grew 120 varieties. The Fernch must be given credit for the many fine new varieties. It is nearly free from disease and can be grown most anywhere.

Tamarix. A very fine hardy shrub with feathery foliage. Some varieties bloom early and others late. It is very graceful and has pink flowers. Should be trimmed back in the spring to make the most of the bush and the flowers.

Viburnum (Snowball). Grown in many varieties with different common names. Americana is called American Cranberry. Carlesiis called the Bouvardia Viburnum. Dentatum is called Arrow wood and Lantana the Wayfaring tree. Lantan Versicolor has variegated leaves. Lentago is called Sheepberry. Opulus is High Bush Cranberry and Opulus Sterilis Snowball and Molle are called Kentucy Viburnum. They are all hardy and have different colored berries in the fall.

Weigelia (Diervilla). A very prolific blooming shrub that has a long blooming season, some early and some quite late. Some are finished blooming before others start. Fleurde mai is the earliest one I know and Eva Rathke is the latest to bloom and blooms a little all during the season.

This list takes in most of the leading shrubs that are better known and that have been grown here in Arlington Heights.

(This paper was given by Mr. Geo. Klehm before the Arlington Heights Garden Club at the meeting on October 9).

MOVIES

Balaban & Katz Theater News

The most entertaining picture to date this year comes to the Chicago theater Friday, October 18, starring Joan Crawford and Brian Aherne, in the Metro Goldwyn Mayer production, "I Live My Life."

Directed by that master, W. S. Van Dyke, it is eight reels of humor, drama and brilliant photography. The superb cast includes such experts as Frank Morgan, Aline MacMahon, Eric Blore, Fred Keating and Hedda Hopper.

A bored society girl meets a hard-boiled archeologist at work on the exotic isle of Naxos. That they should fall in love, is inevitable. Following her to New York, he finds a different state of affairs. She is wealthy and he is penniless. She likes city life and he hates it. When her shrewd grandmother offers him several millions as well as the vice-presidency of the firm, he is sorely vexed.

On this promise, "I Live My Life," proceeds to a dramatic conclusion.

LIONS CLUB DANCE TO BE GALA AFFAIR

Many Valuable Door Prizes Will Be Given; Fine Music Assured

The Fall Festival Dance at Northwest Hills Country club on Saturday evening will undoubtedly be the most popular event of the season, judging from the Festival Dance of last year and from the attraction that are offered this year.

The orchestra which will play for the dance, Frank Graham's Rhythm Kings, has played during the summer season just closed at the Biltmore Country Club, and more recently for special dances held at Northwest Hills. In both places the music which these boys produce has been enthusiastically received, and undoubtedly there will be many present at this Saturday's dance, who take advantage of every opportunity to dance to the melody of the Rhythm Kings.

Prizes On Display

The prizes which are on display in the Bank window, and being added to daily, will alone provide incentive enough to call together a crowd of merry-makers, anxious to turn their ticket stubs in for the drawing which will take place during the dance. The local merchants have been especially generous this year in the prizes which have been donated for the prize drawing, and every one will be well worth while.

Arrangements have been made with the Country Club Manager, Mr. R. C. Smith, for the complete use of the club facilities, including refreshments and sandwiches. Checkroom facilities will be provided which will be adequate for a capacity crowd. Nothing has been overlooked, and everything has been provided that will assure an evening complete in every way.

MT. PROSPECT DEPARTMENT

Change Dates For Parent-Teacher Meetings

The monthly P. T. A. meeting has been permanently changed from the third to the first Thursday in the month. Next P. T. A. meeting will be held November 7. There will be no October meeting.

The district council meeting at Arlington Heights, October 11, drew a large attendance. The morning session was spent in round table discussions by various groups. Mrs. Fribly of the Consumers League spoke in the afternoon on "Consumer Problems."

Mt. Prospect was represented by Mesdames Avery, H. W. Carlson, Cunningham, Hauptly, Holmann, McCoy and Maseng. Mrs. Avery will attend district council meeting at the Irving school in Berwyn, Oct. 16.

A P. T. A. card party will be held at the Avery home Wednesday evening, October 30. All proceeds will go to the Mt. Prospect Library.

By Stella Maseng.

Skating Ponds Assured For Coming Winter

There will be plenty of opportunity for folks of all ages to enjoy skating this coming winter since the village board, in cooperation with the Improvement Association have set aside funds to provide three rinks.

Two of the locations will be on the south side and a third on the north side according to Chief Wm. Mulso. The sites selected have been burned over and earthen banks thrown up where necessary so that the rinks can be flooded as soon as it is cold enough for ice to form.

CUB PACK NEWS

At the regular Cub Pack meeting held Friday, Oct. 4th, a number of new members were initiated into the Pack. The new boys put through the padding machine to the delight of the old members were: John Dresser, Frederick Bierman, Warren Dahlstrom, Willis Tatge and Chester Busse.

Following a brief ceremony acquainting the boys with the obligation and conduct necessary to becoming Cubs, refreshments were served and games enjoyed.

The next meeting will be held Friday, Oct. 18, at the public school, and every Cub should be there.

V. F. W. AUXILIARY

Fall Frolic dance, will be held on Saturday, November 2, 1935, at the V. F. W. club house, Hill and Elmhurst road. Tickets are now obtainable from members of the Ladies' Auxiliary, Veterans of Foreign Wars of Mt. Prospect. A most enjoyable evening is anticipated Refreshments.

Members attention! We will have a short business meeting Friday, Oct. 18, at the home of Mrs. Dora Bencic, and all please be present, as we will start promptly at 7:45. This is most important. Following will be a birthday party given by Mrs. M. Wille and Mrs. O. Bencic. These parties, given by the members, for a small donation, and to which every member is invited, is for the purpose of purchasing dishes for the auxiliary.

Sunday, October 27, will be the Mt. Prospect V. F. W. day at the Elgin hospital. Both the post and auxiliary will do their part at Elgin on that day.

Members of the auxiliary and V. F. W. post were guests at the instituting of Coyote Post V. F. W. in Bensenville last Saturday. Thirty-eight members are enrolled.

A public installation of newly elected officers will take place at the V. F. W. hall on Saturday, November 16, and everyone is invrted to attend.

By Amelia Flesch.

England as Part of Europe

England is politically a part of Europe, though when an Englishman speaks of "the continent of Europe" he is usually referring to the mainland.

KINDERGARTEN CLASSES START TODAY

Over thirty little folks were registered yesterday for kindergarten classes which are to start officially today in a room provided in the Lutheran school.

While the need for a Kindergarten has been realized in the village for several years, the problem of suitable quarters has made the idea hard to put into operation. This year, however, a group of mothers with children four and five years old, with the full cooperation of Rev. J. E. A. Mueller of St. Paul's Lutheran church and the school board of the Lutheran school have arrived at a solution to the problem.

Miss Catherine Whitcomb of Des Plaines has been secured to instruct the children and she will doubtless require an assistant as the classes grow. Miss Whitcomb has had wide experience in Kindergarten work and has full equipment of tables, chairs, etc., which will be used in the quarters provided.

The children will be grouped in two sections, one for those five years and over and the other comprising children between the ages of four and five. The charge for each child is 50c per week. Classes will be held only in the forenoon from 9:30 to 11:00.

PEDESTRIANS WARNED ABOUT "JAYWALKING"

Auto Code Specific About Liability When Crossing at Intersections

"Jaywalking" is frowned on by the new Traffic Code, recently enacted by the Legislature and now in force in this State, and pedestrians are required to obey the regulations provided for their safety if their legal rights are to be preserved, says Carl A. Barrett, president of the Illinois Automobile club. Crossing streets in the middle of the block, or against "Stop and Go" lights, or on the street level where a tunnel or viaduct has been provided for their use, is at the pedestrians own risk.

"The Traffic Code is somewhat more specific regarding 'Jaywalking' than was the Motor Vehicle Law," says Mr. Barrett. "Under the Code, pedestrians may legally cross a street against a red light, but they shall not 'unless they can do so with safety and without interfering with traffic.' Likewise, when the yellow or "Caution" light shows, a pedestrian when starting to cross becomes a 'jaywalker' if he is required to yield the right of way to all vehicles. Such crossings are at their own risk."

"Crossing a street at any other point than a marked crosswalk between intersections, or at regular street intersections, is 'jaywalking' and is prohibited by the Code. Pedestrians crossing in the middle of a block, unless within a marked crosswalk, forfeit their legal rights and vehicles have the right-of-way."

"However, regardless of the right-of-way given vehicles in these regulations, motorists are warned by the law that they are not relieved of the necessity to use due care to avoid accidents and to exercise proper caution when children or confused or incapacited persons are on the street. Lack of 'due care' may place the responsibility upon the motorist, even though he had the right-of-way."
